

Links to resources provided by the SEND regional network

Dear Parent/carer,

Re: NW SEND Regional Network Newsletter - Special edition: Easter 2020

I hope you are keeping well and safe during this difficult time, I received the following updates from the SEND Regional network and I would like to share this information with you.

The SEND regional network is keen to provide support for children, families and practitioners during the Covid-19 pandemic. We have shared useful resources on our website below.

If you have any queries regarding the content on the newsletter please don't hesitate to get in touch with Dr Cathy Hamer NW SEND Regional Network co-ordinator Email: cwh01@hotmail.co.uk Mob: 0778 357 7284.

The following resources have been collated from a wide range of sources to provide information for anyone to use as they feel would be helpful. They include information relevant to children across the early years and school age range including those with special educational needs and disabilities. They are not recommendations, purely possibilities, they consist of;

- **Information on coronavirus for children**
- **Story books for children about the virus**
- **Information for parents of how to support children though COVID19**
- **Advice of how to create a schedule**
- **Learning resources for specific subjects**

I appreciate this is a difficult time so I hope some of the mentioned resources or advice can be of some support. If you feel your child would benefit from a conversation with myself I would be happy to support. Please contact me via email and I will aim to get in touch as soon as possible; mrueben@castle-tmet.uk.

Yours faithfully,

Miss M. Rueben
Assistant Principal - SENDCO
