Introduction

Nationally, children who are Looked After significantly underachieve and are at greater risk of exclusion compared with their peers. Schools have a major part to play in ensuring that Looked After Children are enabled to be healthy, stay safe, enjoy, achieve, make a positive contribution to society and achieve economic wellbeing. Helping Looked After Children succeed and providing a better future for them is a key priority for Castle Mead Academy. The experiences and outcomes of Previously Looked After Children can be very similar to those of Looked After Children. Previously Looked After Children's educational needs are unlikely to have changed just because their care status has. To address this, the needs of Looked After and Previously Looked After Children are prioritised and addressed in a similar way.

Objectives

The objective of this policy is to promote the educational achievement and welfare of Looked After Children *and Previously Looked After Children* on the roll of Castle Mead Academy. This policy incorporates requirements set out within:

2. Keeping Children Safe in Education, 2022.
3. Working Together to Safeguard Children, 2018.

This guidance will be renewed annually by Castle Mead Academy to ensure we are providing the best possible outcomes for the Looked After Children in our school.

- A child 'looked-after by a local authority' is one who is looked after within the meaning of section 22 of Children Act 1989 or Part 6 of the Social Services and Well-being (Wales) Act 2014;
- A previously looked-after child is one who is no longer looked after in England and Wales because they are the subject of arrangements order which includes arrangements relating to with whom the child is to live, or when the child is to live with any person, or has been adopted from 'state care' outside England and Wales; and
- A child is in 'state care' outside England and Wales if they are in the care of or accommodated by a public authority, a religious organisation or any other organisation the sole or main purpose of which is to benefit society.

All Looked After Children will have a Personal Education Plan (PEP) drawn up between the school, the child, and the child's social worker, which will identify the child's individual needs and the support they require.

At Castle Mead Academy we are committed to enhancing the achievement and welfare of Looked After Children, and Previously Looked-After Children in the following ways:

Castle Mead Academy understands its responsibilities in supporting and encouraging the educational development and achievement of Looked After Children. In addition to allocating a named Staff Member and Academy Councillor responsible for Looked After Children, we work closely with the Virtual Schools Team to ensure we are fulfilling requirements as set out by the Local Authority.

Virtual School Team:

The role of the Virtual school team involves working with a wide range of professionals to improve the educational outcomes, and therefore the life chances, of all Looked After Children, young people and care leavers for whom Leicester City Council is the corporate parent. The Virtual School also provide advice and support in working with Previously Looked After Children and will ensure that Pupil Premium Plus funding is allocated in an appropriate manner.

Aims of the Virtual School Team:

- Promote the emotional well-being and educational achievement of all the children and young people in the care of Leicester City Council.
- Encourage a deeper understanding of the issues facing children and young people who have experienced separation and loss and how this impacts upon attainment and achievement.
- Improve and maintain excellent school attendance.
- Work with schools to avoid exclusions.
- Work with schools, carers and the young people to raise attainment and accelerate progress.
- Encourage young people to participate in a range of activities in and out of school relevant to their interests and abilities.

Personal Education Plans (PEPs):

Personal Education Plan is a mechanism for promoting and prioritising the education of young people in public care and is a statutory requirement. Castle Mead Academy ensures that there is a Personal Education Plan for every Looked After Child in our school, and we ensure that Personal Education Plans are revisited and reviewed 3 times each year - once in each school term. The planning process for Personal Education Plan meetings will be carried out in collaboration between our school, the social worker, the carer, the scholar and the Virtual School Team. The Designated Teacher for Looked After Children in our school, will ensure regular meetings take place and that they are the single point of contact for all Looked After Children in our school.

Castle Mead Academy completes all Personal Education Plans on an online template using Local Authority Procedures and will seek advice from the Virtual Schools Team as necessary.

Previously Looked After Children

Parents and Carers of PLAC are encouraged to identify their child's previously looked after status on entry to the school and are required to produce documentation to support this. Any information will be treated confidentially.

Previously Looked After Children no longer have termly PEP meetings, however the progress of PLAC pupils is reviewed termly and we will work proactively with parents, carers and other professionals to address any areas of concern and put in place support as appropriate. Funding for additional support (over and above the support available for any other pupil) is funded by the annual Pupil Premium Plus fund. Concerns regarding the progress of PLAC pupils are highlighted to parents, carers and the Virtual School (with parental consent) in a timely fashion so that support can be put in place swiftly. Parents/Guardians are directed to the Adoption Fund via LA Social Work assessment where necessary.

Pupil Premium Plus (PP+)

While the PP+ for Previously Looked After Children is not a 'personal budget,' should a Previously Looked After Child require support over and above that which is provided for any other pupil, the PP+ will be used to fund this. PP+ for Previously Looked After Children is also 'pooled' and used to provide additional support and services to raise the attainment of Previously Looked After Children, for instance:

- Attachment Training for all staff
- Priority access to support from our Academic Mentors in Maths and English
- Access to online maths tutoring programme.
- Mentoring programmes.
