1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for School uniform

2. Our School's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our School will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform expectations, and thus costs, are the same for all pupils within the school
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that makes them feel most comfortable, as long as it is not offensive to anyone
- Allow pupils to request changes to swimwear for religious reasons. Schools will consider each request individually and make reasonable adjustments where possible. It will remain the School's decision to allow any change
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for potential adaptations to our policy on the grounds of equality and protected characteristics by asking pupils or their parents to contact their child's Head of Year who can answer questions about the policy and respond to any requests.

3. Limiting the cost of School uniform

Castle Mead Academy has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of School uniform.

We understand that items with distinctive characteristics (such as branded items, or items that must have a School logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and may limit parents' ability to 'shop around' for a low price.

With this in mind, we will make sure that our uniform:

- Is available at a reasonable cost
- Limits the number of branded items required
- Provides the best value for money for parents/carers

We will do this by:

- Limiting any items with distinctive characteristics where possible: for example, blue bottoms for PE and any trainers are permissible for PE
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties and blazers
- Avoiding specific requirements for items pupils could wear on non-School days, such as coats, and bags
- Keeping the number of optional branded items to a minimum including PE kit
- Avoiding different uniform requirements for different year groups
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Ensuring that uniform supplier arrangements give the highest priority to cost and value for money (including the quality and durability of the garment)
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

Where accessing uniform is not a barrier and where appropriate, the School will apply the use of sanctions as outlined in the school behaviour policy.
