

Take it further in French lessons

Once you have completed the work set and any défis (extra challenges) pick an appropriate activity from the list of activities below.

- How many dpstx can you identify in the words on the board?
- How many phonics sounds can you identify in the words on the board?
- Can you think of any other words linked to this topic?
- Can you think of synonyms for the words on the board?
- Can you think of opposites for the words on the board?
- Can you understand the words on the board in a random order?
- Can you put these words into a sentence?
- Can you use words you've learned in previous units to extend this sentence?
- Can you test someone else, perhaps by giving them two possible options?
- In your book, go back through your Do Nows. Revise any words that you didn't get right the first time.
- Get a dictionary from the box at the back of the room and look up 5 more words related to this topic.
- Take a challenge worksheet from the box at the back of the classroom to gain extra reading experience and develop your French vocabulary and thinking skills.
