The information contained in this report is the result of the annual activity survey undertaken by the Connexions team in Leicester City Council. Care has been taken in compiling this data and it is believed to be accurate at the time of publication. LCC cannot accept responsibility for any interpretation or action based on the information. Extracts from this data may be reproduced, provided LCC is acknowledged as the source.

The 2025 Annual Activity Survey for Leicester has been submitted to the DfE. It covered young people reaching compulsory school leaving age at the end of the 2024-2025 academic year who were educated in all schools or other institutions in the city on 31st May 2025. The survey also includes young people resident in Leicester who were not enrolled at a school, including those who were educated at home. The date participation is based on is 1st November 2025.

Out of a cohort size of **250** young people who were on the year 11 roll at your school in May 2025, **244 (97.6%)** were participating in some form of education, employment and training, and **6 (2.4%)** were recorded as not participating in November 2025.

*Local Authorities have a duty to encourage, enable and assist young people to participate in education or training until they are 18 (up to 25 with an EHCP); the Connexions Team in LCC will endeavour to engage and support anyone in this age group living in the city who is NEET.*

### Participation categories

DfE require Local Authorities to count and report destinations data in a format to reflect the Raising of the Participation Age (RPA) statutory guidance which now includes young people up to age 18. This report categorises destinations to include those outcomes that 'Meet the Duty to Participate'.

#### Participation is defined as those young people who are in:

- Full time study in a school, college or with a training provider
- Full time work or volunteering (20 hours or more) combined with part time education or training
- An apprenticeship

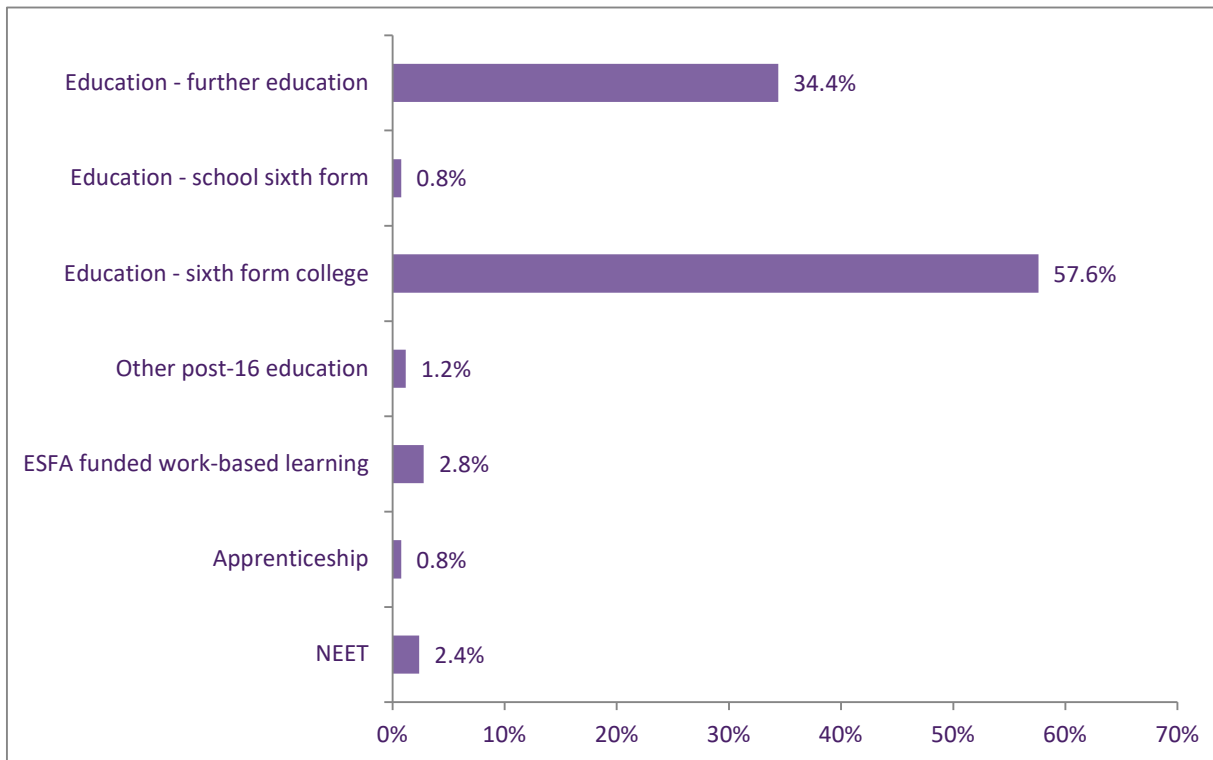

Participation also includes those age 16 or 17 serving a custodial sentence.

**Not Participating** includes: Employment without study, NEET (not in education, employment or training) and those whose current destination is unknown because they cannot be contacted or have refused to disclose what they are doing.

**Temporary Break From Learning** includes: Illness, pregnancy and teenage parents.

**Working Towards** includes: Those who are in re-engagement provision, or have a start date agreed for Participation.

## What your 2025 Year 11 leavers went on to do:

### Definitions

**Apprenticeships:** Employment funded through government supported training.

**Education:** Includes school sixth form, sixth form college, further education college, part-time education, home study and juvenile offenders age 16/17 in a custodial institution.
